

Love Is A Circle

Chorus: Love is a circle, love is a circle
Love goes round and round

I smile at you, you smile at me
Love is a circle, love goes round
I say 'hello', you say 'hello'
Love is a circle, love goes round

I help you and you help me
I listen to you, you listen to me

I push your swing, you push my swing
I play your game, you play my game

I dry your tears, you dry my tears
I laugh at your jokes, you laugh at my jokes

I sing your song, you sing my song
I share your dreams, you share my dreams

I hug you and you hug me
I'm there for you, you're there for me

I hold your hand, you hold my hand
I give you love, you give me love
