Nobody else is just like me

Refrain:

I'm as unique as I can be

I am beautiful, wonderful and beautiful

Special as I can be

Nobody's face is just like mine

Nobody's smile is just like mine

Nobody's eyes are just like mine

Nobody's laugh is just like mine

Nobody's voice is just like mine

Nobody's walk is just like mine

Nobody's thoughts are just like mine

Nobody's love is just like mine

Nobody's hugs are just like mine

Nobody else is just like me
