

## If I Think I Can

If I think I can, I can; if I think I can, I'll do it  
*It's all in the way I think about it - that's the way to do it*  
 If I think I can't, I can't; if I think I can't, I blew it!  
*It's all in the way I think about it - that's the way to do it*

Chorus: Thinking positive is the answer, thinking positive is the plan  
 'Cause I can do almost anything if I just think I can

If I think I will, I will; if I think I will, I'll do it  
 If I think I won't, I won't; if I think I won't, I'll rue it

If I think I can win, I might win; if I think I can win, I might do it  
 But if I think I'll lose, I'll lose; if I think I'll lose ... 'I knew it!'

I can do anything I want if I just think my way through it  
*It's all in the way I think about it - that's the way to do it*  
 The same thing goes for you; if you think that you can do it  
*Nothing will ever stop you winning - that's the way to do it*

'Cause if you think you can, you can; if you think you can, you'll do it  
*It's all in the way you think about it - that's the way to do it*  
 If I think I can, I can; if I think I can, I'll do it!  
*It's all in the way I think about it - that's the way to do it*

Final Chorus: Thinking positive is the answer, thinking positive is the plan  
 'Cause I can do almost anything if I just think I can  
 Thinking positive is the answer, thinking positive is the plan  
 'Cause I can do almost anything if I just think I can  
 So I'll just think I can ... I can!
