Words & Music © Copyright Anne Infante

Give me a job and I can do it

Refrain:

All I need is inside me

Give me a job and I can do it

I trust in my ability

Give me a word and I can spell it

Give me a line and I can learn it

Give me a sum and I can add it

Give me a game and I can play it

Give me a test and I can pass it

Give me a hill and I can climb it

Give me a hurdle; I can jump it

Give me a problem; I can solve it

Give me a song and I can sing it

I have a life and I can live it
