

## So, I Made A Mistake!

Life isn't always easy  
Life can be difficult or sad  
Life means that sometimes I make a mistake  
But that doesn't mean I'm bad

Life isn't always a bed of summer roses  
Life isn't always a breeze  
Life sometimes leaves me feeling pretty dumb  
Awkward and ill at ease

But then I remember something I learned  
It always works for me  
Making a mistake doesn't make me stupid  
Just take a tip from me

So I made a mistake – so what?  
At least I had a go  
At least I can stop and say  
All right, it doesn't work that way

So I made a mistake – all right!  
So it didn't work out to the letter  
A mistake is like a special friend  
Helping me to do it better

So I made a mistake – okay!  
At least I did the best I could  
And if I make a few more mistakes on the way  
One day I'll be really good

So I made a mistake – good for me!  
At least I'm in there trying  
At least I did make something  
Of that there's no denying

So I made a mistake – that's fine!  
It means that I'm still learning  
And we're all of us going to make mistakes  
As long as the world keeps turning

So I made a mistake – so what?  
That doesn't say who I am  
It only says that I'm trying my best  
And sometimes getting into a jam

So I made a mistake – that's good!  
I might make another tomorrow  
A mistake is the best way I can learn  
It's never a reason for sorrow

**So, I Made A Mistake! (Cont)**

So I made a mistake – so what?  
At least I had a go  
And now I can stop and say  
I just found it doesn't work that way

That's all a mistake can be  
It's just a way of learning  
And we're all of us going to make mistakes  
As long as the world keeps turning  
Yes, we're all of us going to make mistakes  
As long as the world keeps, as long as the world keeps  
As long as the world keeps turning
