

When I Look in the Mirror
Words & Music © Copyright Anne Infante

When I look in the mirror
I see someone beautiful
I see someone beautiful
I see me

I see someone lovable

I see someone radiant

I see someone full of joy

I see someone talented

I see someone wonderful

I see someone I can trust

I see someone positive

I see someone quite unique

I see someone who's my friend

From CD Special As I Can Be by Anne Infante
